MESSAGE FROM THE LG

Hello Everyone!

Wow, I can't believe we've already been through two months of the Key Club year! I hope that this message finds you all in complete wellness (mental, physical and spiritual).

We are halfway through the first quarter of the year and that means summer is fast approaching, unfortunately for us Seniors that also means that exams are right around the corner. I hope everyone is studying hard and making the necessary preparations to ace their exams. Remember, to be ready is a state of mind and to be prepared is an action!

I also trust that we are all keeping safe and following the necessary guidelines to stay covid free. As much as we all hoped that this pandemic would've been gone by now, we will simply have to accept that this virus will be with us for a while.

This is no cause for alarm or panic. It simply means that we will have to take the necessary precautions to keep safe (wear our masks, regularly wash hands with soap and water, and use alcohol based sanitizers). Projects and meetings should also be planned with Covid-19 in mind.

Surely there is life during and after Covid and we will have a splendid Key Club year despite the challenges!

Love you all ♥.

GOVERNOR'S MESSAGE

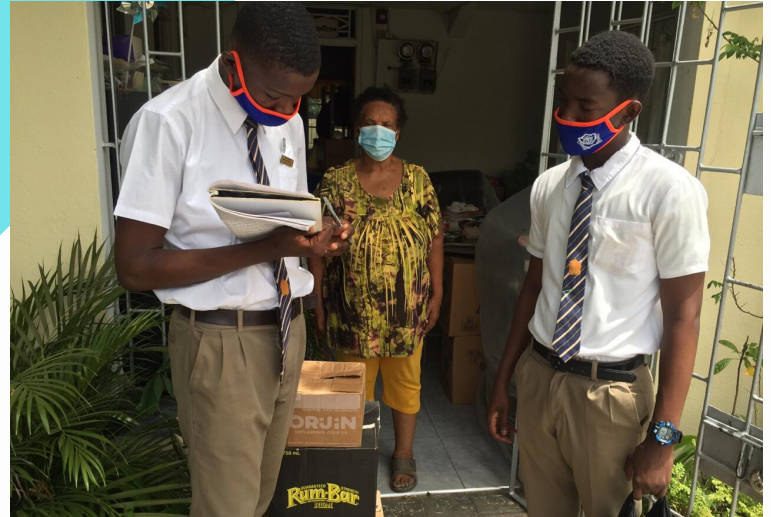

Hello Division 1 my name is Demario Mew a short Asian kid who currently attends the Wolmer's Boys School, this Key Club year I have the pleasure of serving as your District Governor. Unfortunately, due to circumstances we are unable to meet in person but hopefully we will be able to see each other some time soon.

Over the years your division has always shown your strength and spirit so I ask that in this time of uncertainty you keep that Key Club spirit roaring. I look forward to meeting and working with you all in the near future as we continue to make this world a better place one project at a time. Stay safe and continue being the wonderful division you are.

Yours in service,
KCJA District Governor
Demario Mew

DIVISION ONE'S A-LIST

When you fear your struggles,
your struggles consume you.
When you face your struggles
you overcome them.

Hello Everyone. I am Jheanell Myrie, the President of St Hughs High School For Girls' Key Club. Growing up , I have been through alot. I've been abused and neglected and I was honestly never 'branned' to be successful until I feared being successful.

I grew, I took risks, I learnt and I achieved. I'm saying this to say, you grow to learn new things and you shouldn't allow your past to dictate your future.

Thank You.

~President Jheanell Myrie.
